FOUR WAY CARPET CLEANER

**TRAFFIC LANE
PRE-SPRAY**

**BONNET BUFF
CLEANER**

**CONCENTRATE
SPOT REMOVER**

**BOOSTER ADDITIVE
FOR OTHER CLEANERS**

DESCRIPTION

Clausen Four Way carpet cleaner is a pleasant odor complex of modern surfactants fortified with natural solvents that quickly penetrates, dissolves and removes heavy soil to make cleaning carpets easier and more thorough.

USES

Effective against industrial, animal and vegetable oils and greases, blacktop coatings and other oil or water base stains.

HOW TO USE

BONNET CLEANING: Dilute at 1:8, then spray or dip bonnet, or use with flow thru pad holder.

TRAFFIC LANE PRE SPRAY: Best used at 1:8 and applied with pump up garden sprayer.

SPOT REMOVING: Apply dilute solution from a spray bottle or with a microfiber cloth.

CLEANER BOOSTER: Add to competitive rug cleaners and shampoos to improve effectiveness against greasy soil.

PACKAGING

Available in gallon containers.

BENEFITS

DEODORIZED: Has a very pleasant low odor during application that disappears quickly after it is used.

SAFE ON ALL CARPETS: Carpets should always be checked for colorfastness before using any "chemical", but Four Way contains nothing to harm any colorfast fibers or modern carpet backing.

SAFE FOR WORKERS: Contains no butyl, no chlorinated solvents, no corrosives, etc.

HIGHLY EFFECTIVE: Made with ingredients with high KB values assuring superior performance in liquifying and removing greasy, oily soil, tracked in blacktop coatings, etc.

VERSATILE: This one product is

1. a bonnet cleaner
2. a pre-spray for use before carpet extraction, or shampooing
3. a concentrated spotter and
4. a booster for addition to other products to improve their effectiveness.

HIGHLY CONCENTRATED: You dilute just a few ounces of Four Way with your own water for any of its uses, and economical cleaning.
