**REMOVES 9 OF 10
DAMAGING STAINS**

**WORKS LIKE MAGIC
REMOVING BETADINE**

**SAFE – NON-TOXIC
NON-FLAMMABLE**

**FAST ACTING
EASY TO USE**

DESCRIPTION

Clausen All Purpose Spotter removes nine out of ten stains from colorfast carpet, upholstery, clothing and other textile products – including stains from protein, sugar, light oily stains and even Betadine*. For heavy oily, greasy stains use Clausen G.T.O. 2000 (Grease, Tar & Oil) Spotter first.

USES

Keep available to remove stains from beer, Betadine, blood, cat-sap, chocolate, coffee, cosmetics, feces, food, fruit juice, grass, grease, iodine, latex paint, liquor, mildew, milk, oil, pet accidents, shoe polish, soft drinks, tea, urine, wine.

HOW TO USE

Test carpeting and particularly upholstery for compatibility before use by applying in an out of sight spot and rubbing with a white cloth. Not recommended for water sensitive surfaces such as suede, satin, silk, Hatan cotton.

The sooner the spot is attacked the better...Remove all loose deposits. Then apply ALL PURPOSE SPOTTER directly to the soiled area or to a clean, soft white cloth. Gently rub or brush product in. work from edge of spot toward center to avoid spreading. Blot with a clean white towel. For best results rinse with clear water or Clausen Rinse & Conditioner.

PACKAGING

Available in gallon containers.
